Dear Mr. Schroeter:

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

Free assistance with state and/or federal regulations, rules, laws or permit conditions can be provided at no charge through the Ohio EPA Office of Compliance Assistance and Pollution Prevention (OCAPP). OCAPP can also provide assistance to facilities that want to investigate methods of pollution prevention to reduce raw material usage and waste production. Again, there is no charge for their services.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.
