NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Miller:

On 8/16/07, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring International Paint, LLC to rectify permitting; reporting; recordkeeping and testing deficiencies noted in the 7/17/07, facility inspection. CDAQ is in receipt of a corrective action plan dated 9/24/07, that addresses each issue, including supplemental recordkeeping documentation. Required stack testing was completed on 9/25/07, and the results are currently under review.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the sources into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Dave DeChant at 216-664-3213. All correspondence with CDAQ must include the Ohio EPA facility identification number for International Paint, LLC: 13-18-06-7810.

Sincerely,

George Baker
Chief of Enforcement, CDAQ
