NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Darusz:

On May 26, 2009, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring On the Spot Dry Cleaners to submit permit to install/operate (PTIO) applications for two dry-cleaning machines and maintain a rolling twelve month Perchloroethylene (PERC) usage log. CDAQ is in receipt of a corrective action plan dated July 9, 2009, which includes the required PTIO applications. In a telephone conversation on June 20, 2009, Mr. Darusz stated that he has been recording a rolling twelve month PERC usage log.

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for On the Spot Dry Cleaners: 13-18-09-8701

Sincerely,

George Baker
Chief of Enforcement, CDAQ
