**NOTICE OF VIOLATION: Operating the fill house without applying for a state air permit**

Dear Mr. Perovsek:

On March 30, 2011, the Cleveland Division of Air Quality (CDAQ) inspected Technical Products, Inc. located at 3500 Ridge Road in Brooklyn. This letter serves as notification that you are operating sources in violation of the following applicable air statutes, air regulations, or air permit conditions.

Technical Products, Inc. has been operating a fill house without applying for a state air permit, which is a violation of Ohio Administrative Code (OAC) Rule 3745-31-02(A)(1)(b).

Unless you undertake some type of corrective action with respect to the above noted violations, you will remain in non-compliance. CDAQ requests that Technical Products, Inc. submit a Permit To Install/Operate (PTIO) application with the associated Emissions Activity Category (EAC) forms for the fill house per OAC Rule 3745-15-03(A) to the following permitting representative:

Loreto Agdinaoay  
Cleveland Division of Air Quality  
75 Erieview Plaza 2<sup>nd</sup> Floor  
Cleveland, Ohio 44114-1839

Your written response to this letter must be received by CDAQ within thirty (30) days of your receipt of this letter. If there is insufficient time to correct the alleged violations within this timeframe, your response must include a timeline for

correcting the alleged violations.

PTIO applications and EAC forms and instructions can be found online at <http://www.epa.state.oh.us/dapc/fops/eac/eacforms.aspx>.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

Free assistance with state and/or federal regulations, rules, laws or permit conditions can be provided at no charge through the Ohio EPA Office of Compliance Assistance and Pollution Prevention (OCAPP). OCAPP can be contacted at <http://www.epa.ohio.gov/ocapp> or (614) 644-3469 or (800) 329-7518. CDAQ makes no guarantee that the facility will meet the qualifying guidelines established by OCAPP.

OCAPP can also provide assistance to facilities that want to investigate methods of pollution prevention to reduce raw material usage and waste production. Again, there is no charge for their services.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Marantides at (216) 420-8049. All correspondence with CDAQ must include the Ohio EPA facility identification number for Technical Products, Inc.: 13-18-10-4328.

Sincerely,

Linda Kimmy  
Field Enforcement Manager
