NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Mohammad:

On January 3, 2007, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation to UPM #210 Marathon for failure to conduct an Air-to-Liquid Ratio test, and a Static Leak test. Stage II testing was completed by Environmental Compliance Technologies, LLC witnessed by Enforcement Specialist John Szleszynski, on March 28, 2007.

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call John Szleszynski at 216/664-7447. All correspondence with CDAQ must include the Ohio EPA facility identification number for UPM #210 Marathon: 1318107042.

Sincerely,

A handwritten signature in cursive script, appearing to read "George Baker".

George Baker
Chief of Enforcement, CDAQ
