NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Gaid:

On February 3, 2010 and May 27, 2010, the Cleveland Division of Air Quality (CDAQ) issued Notices of Violation requiring Noble's Gas to make the appropriate repairs to dispensers #1, #2, #3, and #4 which includes vapor recovery lines certified to contain gasoline with vapor shear valves and submit a copy of the work order within thirty (30) days of receipt of the letter.

CDAQ is in receipt of a corrective action plan dated August 26, 2010 at which time CDAQ was able to inspect the facility. Operating instructions have been posted and the appropriate documentation, work order, and post installation inspection form was provided showing that impact valves have been installed on the vapor return lines on dispensers #1 through #4.

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for Noble's Gas: 13-18-16-7085.

Sincerely,

Linda Kimmey for G.B.
