NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Woo:

On November 12, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Satellite Dry Cleaners to:

1. Submit a completed Permit-to-Install/Operate (PTIO) Application and Emission Activity Category (EAC) Form for the dry cleaning machine (Received December 2, 2010).
2. Submit a copy of the invoice for the gasket to be replaced, and also the dates on which installation occurs (Received December 10, 2010).
3. Submit a copy of the halogenated hydrocarbon detector purchase invoice (Received December 10, 2010).
4. Submit a copy of a sample of the monthly detector leak checks (Received December 10, 2010).
5. Begin storing PERC wastes in a leak tight container (Received December 10, 2010).
6. Submit a copy of the completed Ohio Consolidated Report Form (Received December 10, 2010).

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Satellite Dry Cleaners: 13-18-16-8113.

Sincerely,

Linda Kimmy for G.B.

George Baker
Chief of Enforcement, CDAQ
