**2<sup>nd</sup> NOTICE OF VIOLATION: FAILURE TO RESPOND TO THE APRIL 21, 2008 NOV**

Dear Mr. Lee:

On April 21, 2008, the Cleveland Division of Air Quality (CDAQ) issued Bill's Dry Cleaning & Shoe Repair a Notice of Violation (NOV). As of June 3, 2008, CDAQ has not received your response. It is important that you respond to this NOV in a timely manner. This letter restates the previous notification that you are operating sources in violation of the following applicable air statutes, air regulations, or air permit conditions.

Bill's Dry Cleaning & Shoe Repair is in violation of Ohio Administrative Code(OAC) Rule 3745-21-09(AA)(1)(e), Ohio Revised Code (ORC) 3704.05(G), and 40 Code of Federal Regulations (CFR) 63.322(j) for failing to properly store perchloroethylene (PERC) and prevent perceptible vapor leaks from any equipment which is leaking PERC or has a perceptible vapor leak.

Bill's Dry Cleaning & Shoe Repair is in violation of OAC Rule 3745-21-09(AA)(4), 40 CFR 63.222(k), 40 CFR 63.324(d), for failing to keep monthly PERC usage logs, rolling 12-month average PERC usage logs, and dates of repair and records of written repair parts.

It is important to respond to this NOV and undertake some type of corrective action with respect to the above noted violations, or you will remain in non-compliance. CDAQ requests that Bill's Dry Cleaning & Shoe Repair submit a corrective action plan that includes copies of repair records for the last three years, copy of the PERC usage logs for the last two years, and rolling 12-month average PERC usage logs to the following enforcement representative:

Mike Samec  
Cleveland Division of Air Quality  
1925 St. Clair Avenue NE  
Cleveland, Ohio 44114-2080

Your written response to this letter must be received by CDAQ within fourteen (14) days of your receipt of this letter. If there is insufficient time to correct the alleged violations within this timeframe, your response must include a timeline for correcting the alleged violations.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

Free assistance with state and/or federal regulations, rules, laws or permit conditions can be provided at no charge through the Ohio EPA Office of Compliance Assistance and Pollution Prevention (OCAPP). OCAPP can be contacted at <http://www.epa.state.oh.us/ocapp> or (614) 644-3469 or (800) 329-7518.

CDAQ makes no guarantee that the facility will meet the qualifying guidelines established by OCAPP.

OCAPP can also provide assistance to facilities that want to investigate methods of pollution prevention to reduce raw material usage and waste production. Again, there is no charge for their services.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at 216-420-7682. All correspondence with CDAQ must include the Ohio EPA facility identification number for Bill's Dry Cleaning & Shoe Repair: 1318168135.

Sincerely,

George Baker  
Chief of Enforcement, CDAQ
