NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. King:

On 24 August 2007, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring ALCOA -- Cleveland Works to the failure to maintain required records for Ohio EPA emissions units P007 through P014, P017 through P019, P024, P029, P030, P046 through P049, P054, P055, P102, P104, P129, P146, P155 through P159, P164, P165, P402 and P429. CDAQ received the requested information on 28 and 29 August 2007.

CDAQ received the corrective action in a timely manner and appropriate steps were taken to bring the sources into compliance. CDAQ determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. If you have any questions, please call David Wagner at 216/664-3004. All correspondence with CDAQ must include the Ohio EPA facility identification number for ALCOA – Cleveland Works: 13-18-17-0314.

Sincerely,

George P. Baker
Chief of Enforcement, CDAQ
