NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Daher:

On July 12, 2011, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Nela Park Sunoco to complete Stage II compliance specialist training and submit a permit-to-install/operate (PTIO) application or a permit-by-rule (PBR) notification. CDAQ received a copy of your Stage II training certificate on July 24, 2011. Our telephone conversation on July 22, 2011 cleared the confusion about the recent transfer ownership of the convenience store and the underground storage tanks with respect to a PTIO application or PBR notification. *notice made of CDAQ inspection report*

CDAQ received the information in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. If you have any questions, please call David Wagner at 216/664-3004. All correspondence with CDAQ must include the Ohio EPA facility identification number for Nela Park Sunoco: 13-18-18-8352.

Sincerely,

Linda Kimmy
Field Enforcement Manager, CDAQ
