2<sup>nd</sup> NOTICE OF VIOLATION: Improper record keeping and failing to respond to 01/02/2008  
NOV

Dear Mr. Kim:

On January 2, 2007, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation (NOV) requesting that Norge Village Cleaners submit a corrective action plan for violations pertaining to emissions unit D001: Bowie-Passat 300 dry to dry cleaning machine. These violations were discovered during an inspection on December 20, 2007. CDAQ is in receipt of a letter dated January 28, 2008 stating that you have received CDAQ's letter. However, you are expected to comply with submitting documentation to verify the following information:

- Records of fabric dry cleaned in pounds with perchloroethylene are being maintained
- Results of all visual inspections, including the dates when the dry cleaning system components are inspected for leaks and the name or location of dry cleaning system components where leaks are detected and logs are being maintained.
- Monthly perchloroethylene usage log (including zeros) is being maintained.
- A rolling 12 month average of perchloroethylene used log is being maintained.

Failure to do so may result in referral to Ohio EPA or U.S. EPA for further enforcement action. Unless you undertake some type of corrective action with respect to the above noted violations, you will remain in non-compliance. Norge Village Cleaners is in violations of permit-to-install (PTI)# 13-3260, the Ohio Administrative Code (OAC) Rule 3745-21-09(AA)(4)(b & d) and 3745-31-05(A)(3), the Ohio Revised Code (ORC) sections 3704.05(C) and (G), Title 40 of the Code of Federal Regulations (CFR) Part 63.322(l), 40CFR Part 63.324(d)(1 and 3), and 40CFR Part 63.323(d),

CDAQ requests that Norge Village Cleaners submit requested information to the following enforcement representative:

Valencia White  
Cleveland Division of Air Quality  
1925 St. Clair Avenue NE  
Cleveland, Ohio 44114-2080

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

Free assistance with state and/or federal regulations, rules, laws or permit conditions can be provided at no charge through the Ohio EPA Office of Compliance Assistance and Pollution Prevention (OCAPP). OCAPP can be contacted at <http://www.epa.state.oh.us/ocapp> or (614) 644-3469 or (800) 329-7518.

CDAQ makes no guarantee that the facility will meet the qualifying guidelines established by OCAPP.

OCAPP can also provide assistance to facilities that want to investigate methods of pollution prevention to reduce raw material usage and waste production. Again, there is no charge for their services.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Valencia White at (216) 664-2953. All correspondence with CDAQ must include the Ohio EPA facility identification number for Norge Village Cleaners: 13-18-33-8081.

Sincerely,

George Baker  
Chief of Enforcement, CDAQ
