NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Wilson:

On July 20, 2009, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation to Wilson and Sons, Inc. for failing to control emissions of volatile organic compounds from a stationary source. On August 21, 2009 CDAQ found the valve to be repaired.

Appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Kenney at 216-420-7683. All correspondence with CDAQ must include the Ohio EPA facility identification number for Wilson and Sons, Inc.: 13-18-35-6236.

Sincerely,

George Baker  
Chief of Enforcement, CDAQ
