NOTICE OF VIOLATION: Failure to pass Stage II Testing**

Dear Mr. Alqehim:

On 6/6/11, the Cleveland Division of Air Quality (CDAQ) witnessed Stage II Vapor Recovery testing at Randall Gas located at 4889 Northfield Rd. in North Randall. This letter serves as notification that you are operating sources in violation of the following applicable air statutes, air regulations or air permit conditions.

Randall Gas conducted Static Leak (SL), Dynamic Pressure (DP) and Air to Liquid Ratio (A/L) testing on 6/6/11. The SL and DP tests were successful, however the A/L test failed on dispensers #6, #7 and #8. The failure to successfully pass the testing requirements specified in Ohio Administrative Code (OAC) Rule 3745-21-09(DDD)(2) while causing, allowing or permitting the transfer of gasoline from a stationary storage tank into a motor vehicle is a violation of Ohio Revised Code (ORC) Chapter 3704.05(G) and OAC Rule 3745-21-09(DDD)(1)(c).

Unless you undertake some type of corrective action with respect to the above noted violations, you will remain in non-compliance. CDAQ requests that Randall Gas complete necessary repairs, then conduct a re-test of the A/L test on dispensers #6, #7 and #8. Submit test results to the following enforcement representative within thirty (30) days of receipt of this letter.

Dave DeChant  
Cleveland Division of Air Quality  
75 Erieview Plaza 2<sup>nd</sup> Floor  
Cleveland, Ohio 44114-1839

If there is insufficient time to correct the alleged violations within this timeframe, submit a written response which includes a timeline for correcting the alleged violations within thirty (30) days of receipt of this letter.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Dave DeChant at 216-664-3213. All correspondence with CDAQ must include the Ohio EPA facility identification number for Randall Gas: 13-18-38-8275.

Sincerely,

Linda Kimmy  
Field Enforcement Manager
