**NOTICE OF VIOLATION: Failing Required Stage II Testing and Failure to Perform Required Stage II Testing**

Dear Mr. Kollab:

On May 26, 2011, the Cleveland Division of Air Quality (CDAQ) inspected One Stop Sunoco #6 located at 13946 State Road in North Royalton. This letter serves as notification that you are operating sources in violation of the following applicable air statutes, air regulations, or air permit conditions.

One Stop Sunoco #6 had Tank Integrity Services perform Stage II testing on September 22, 2010. The Static Leak test failed, the Air-to-Liquid Ratio test failed on pumps 4, 5, and 8, and a Dynamic Pressure test was not performed. CDAQ has no Stage II test results on file besides the failed test from September 22, 2010. Failing Stage II testing is a violation of Ohio Administrative Code (OAC) Rule 3745-21-09(DDD)(1)(c) which states that no owner or operator of a gasoline dispensing facility (GDF) may cause, allow, or permit the transfer of gasoline from a stationary tank at a GDF into a motor vehicle unless the vapor control system successfully passes the testing requirements contained in OAC Rule 3745-21-09(DDD)(2).

One Stop Sunoco #6 has failed to perform a Static Leak test, Air-to-Liquid Ratio test, and Dynamic Pressure test as stipulated in OAC Rule 3745-21-09(DDD)(2)(f).

Unless you undertake some type of corrective action with respect to the above noted violations, you will remain in non-compliance. CDAQ requests that One Stop Sunoco #6 schedule another Stage II test, notify CDAQ's Andrew Marantides of the test date in advance of the test, and submit a written copy of the test's results within thirty (30) days of receipt of this letter to the following enforcement representative:

Andrew Marantides  
Cleveland Division of Air Quality  
75 Erieview Plaza 2<sup>nd</sup> Floor  
Cleveland, Ohio 44114-1839

If there is insufficient time to correct the alleged violations within this timeframe, your response must include a timeline for correcting the alleged violations.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Andrew Marantides at (216) 420-8049. All correspondence with CDAQ must include the Ohio EPA facility identification number for One Stop Sunoco #6: 13-18-39-8703.

Sincerely,

Linda Kimmy  
Field Enforcement Manager
