NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Kollab:

On June 9, 2011, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring One Stop Sunoco #6 located at 13946 State Road in North Royalton to provide CDAQ with Static Leak, Air-to-Liquid Ratio and Dynamic Pressure Test results to demonstrate compliance with Stage II testing requirements.

CDAQ is in receipt of November 3, 2008 Dynamic Pressure results from Tank Integrity Services and June 22, 2011 Static Leak and Air-to-Liquid Ratio Test results from Environmental Compliance Technologies dated July 15, 2011.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Marantides at (216) 420-8049. All correspondence with CDAQ must include the Ohio EPA facility identification number for One Stop Sunoco #6: 13-18-39-8703.

Sincerely,

Linda Kimmy
Field Enforcement Manager, CDAQ
