NOTICE OF VIOLATION/INSPECTION FOLLOW-UP LETTER

Dear Mr. Patel:

On September 1, 2009, the Cleveland Division of Air Quality (CDAQ) inspected OM Shivam Inc. dba Sunoco (Sunoco) located at 6363 Pearl Road in Parma Heights. The following violations of Ohio air statutes and regulations were found at the time of the inspection:

- failure to submit a renewal permit-to-install/operate application or permit-by-rule (PBR) notification, a violation of Administrative Code (OAC) rule 3745-35-02(A) and Ohio Revised Code (ORC) § 3704.05(F) and (G); and,
- failure to provide proof of attendance and completion of Stage II training as required by Ohio EPA for the operator or local manager of your GDF, a violation of OAC rule 3745-21-09(DDD)(3)(a)(vi) and ORC § 3704.05(G).

CDAQ is in receipt, however, of a PBR notification form and a Stage II training certificate for Sunoco as of September 11, 2009, and September 16, 2009, respectively.

The required documents were received in a timely manner and appropriate steps were taken to bring this source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

Please also be advised that gasoline dispensing facilities, as subject to OAC rule 3745-21-09(DDD), are required to post operating instructions for the vapor control system in a conspicuous place. The operating instructions shall also clearly describe how to properly fuel motor vehicles and specifically prohibit the "topping off" of the motor vehicle fuel tank.

Free assistance with state and/or federal regulations, rules, laws or permit conditions can be provided at no charge through the Ohio EPA Office of Compliance Assistance and Pollution Prevention (OCAPP). OCAPP can be contacted at <http://www.epa.state.oh.us/ocapp> or (614) 644-3469 or (800) 329-7518.

CDAQ makes no guarantee that the facility will meet the qualifying guidelines established by OCAPP.

OCAPP can also provide assistance to facilities that want to investigate methods of pollution prevention to reduce raw material usage and waste production. Again, there is no charge for their services.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Valerie Shaffer at (216) 664-6292. All correspondence with CDAQ must include the Ohio EPA facility identification number for Sunoco: 13-18-46-7097.

Sincerely,

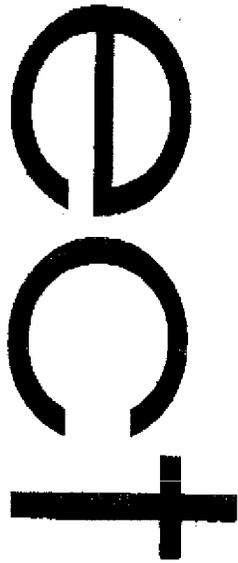

George Baker  
Chief of Enforcement
