Dear Mr. Lavecchia:

On August 24, 2011, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requesting that Pat's Auto Service make the necessary repairs on dispenser #1, #2, and #6, then re-test the A/L ratio test and submit the August 18, 2011, test results, and the re-test results.

CDAQ is in receipt of a letter requesting an extension to perform a re-test, dated September 12, 2011. CDAQ grants the extension. You are expected to re-test by November 1, 2011. Failure to do so may result in referral to Ohio EPA or U.S. EPA for further enforcement action. Fulfillment of your commitments included in the corrective action plan and/or any modifications contained within this letter does not constitute a waiver of CDAQ's ability to refer this matter to Ohio EPA or U.S. EPA for further enforcement action. Please submit any future correspondence related to this matter to the following enforcement representative:

Bryan Sokolowski

Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Pat's Auto Service: 13-18-50-7703.
