NOTICE OF VIOLATION FOLLOW-UP LETTER

Dear Ms. Anderson:

On April 22, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Lehigh #263 to make the necessary repairs, conduct a re-test of the A/L Ratio test on dispensers #3 and #4, submit the test results, complete the required training for Stage II vapor recovery systems and submit a copy of the most current Stage II compliance specialist certificate for this facility within thirty (30) days of receipt of the letter. CDAQ is in receipt of two current Stage II compliance specialist certificates dated May 3, 2010. CDAQ has also received passing test results on May 24, 2010 from a re-test of the Air-to-Liquid Ratio test on dispensers #3 and #4.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for Lehigh #263: 13-18-52-7020.

Sincerely,

Linda Kimmy for G.B.
George Baker
Chief of Enforcement, CDAQ
