NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Matejka:

On May 13, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Solon Sunmart to submit a PTIO application or a PBR Notification Form, complete the required training by Ohio EPA and submit proof of attendance and completion of training, and post operating instructions which clearly state "do not top off." CDAQ is in receipt of proof of attendance and completion of training required by Ohio EPA dated May 27, 2010.

CDAQ also issued a Receipt of Corrective Action Plan on June 3, 2010 requesting that Solon Sunmart submit a PTIO application or a PBR Notification form and post operating instructions.

A PBR Notification Form was received on July 13, 2010 with a letter stating that operating instructions have since been posted. Additionally, CDAQ has been informed that operating instructions have since been posted on each dispenser.

Appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for Solon Sunmart: 13-18-53-6257.

Sincerely,

*Grinda Kimmy for G.B.*
