**NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Elenz:

On December 14, 2009, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Schwebel Baking Company to submit appropriate recordkeeping information regarding emissions units P002 and P003, as required by each unit's permit-to-install/operate (PTIO). Specifically, CDAQ requested the total amount of baked goods produced per recipe in tons per month, the total monthly VOC emissions in tons, and a rolling 12-month summation of total VOC emissions in tons. CDAQ received a spreadsheet on December 19, 2009, via email, which supplied the appropriate information.

Additionally, CDAQ requested the required quarterly deviation reports for the second and third quarters of 2009. As of January 9, 2010, CDAQ is in receipt of appropriate reports for the second and third quarters of 2009.

Your corrective actions were received in a timely manner and appropriate steps were taken to bring each source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Valerie Shaffer at (216) 664-6292. All correspondence with CDAQ must include the Ohio EPA facility identification number for Schwebel: 13-18-53-8152.

Sincerely,

A handwritten signature in cursive script, appearing to read "George Baker".
