### HIGH PRIORITY FACILITY

FACILITY ID: 13-18-53-8152

**NOTICE OF VIOLATION:** Failure to submit quarterly deviation reports for P002 and P003, failure to keep records of combined VOC emissions from P002 and P003, failure to apply for a permit-to-install/operate for P003

Dear Mr. Elenz:

On November 19, 2009, the Cleveland Division of Air Quality (CDAQ) inspected Schwebel Baking Company (Schwebel) located at 6250 Camp Industrial Road in Solon. This letter serves as notification that you are operating sources in violation of the following applicable air statutes, air regulations or air permit conditions.

Schwebel is in violation for failing to submit required quarterly deviation reports for the second and third quarters of 2009. These reports were due via Air Services (Ohio EPA's eBusiness Center) on July 31, 2009, and October 31, 2009, respectively. This is a violation of issued permits-to-install/operate (PTIO) P0103950 term C.1.e)(1) for emissions unit (EU) P002: Solon Oven #55850 and PTIO P0104212 term C.1.e)(1) for EU P003: Oven #54198. This is also a violation of Ohio Revised Code (ORC) sections 3704.05(C) and (G). CDAQ is in receipt of a third quarter deviation report received via Air Services on December 2, 2009.

Also, required records were not available during the inspection. In addition to the name and identification of each bread recipe and the emission factor of each recipe, which were made available to CDAQ, Schwebel failed to maintain the following combined records for EUs P002 and P003:

- the total amount of baked goods produced per recipe, in tons per month;
- the total monthly VOC emissions, in tons; and
- the rolling 12-month summation of total VOC emissions, in tons.

This is a violation of PTIO P0103950 terms C.1.d)(2)b., d. and e. and PTIO P0104212 terms C.1.d)(2)b., d. and e. for EUs P002 and P003, and ORC sections 3704.05(C) and (G).

Furthermore, Schwebel failed to submit an application for the installation of EU P003, which was installed in March of 2001. This is a violation of Ohio Administrative Code

(OAC) rule 3745-35-02(A) and ORC sections 3704.05(F) and (G). The violation was discovered during communications with CDAQ regarding the installation of EU P002 in 2009. However, CDAQ received both applications for EUs P002 and P003 on October 10, 2008, and subsequently, PTIOs for EUs P002 and P003 were issued on March 2, 2009. Since CDAQ has received all applicable permit applications to date, no corrective action on your part is required pertaining to this violation.

Unless you undertake some type of corrective action with respect to the above noted, outstanding violations concerning the timely submittal of deviation reports and recordkeeping for VOC emissions from EUs P002 and P003, you will remain in non-compliance. CDAQ requests that Schwebel submit a corrective action plan to the following enforcement representative:

Valerie Shaffer  
Cleveland Division of Air Quality  
75 Erieview Plaza, 2<sup>nd</sup> Floor  
Cleveland, Ohio 44114-1839

Your written response to this letter must be received by CDAQ within fourteen (14) days of your receipt of this letter. If there is insufficient time to correct the alleged violations within this timeframe, your response must include a timeline for correcting the alleged violations.

Violations of Ohio air pollution laws and/or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Valerie Shaffer at (216) 664-6292. All correspondence with CDAQ must include the Ohio EPA facility identification number for Schwebel: 13-18-53-8152.

Sincerely,

George Baker  
Chief of Enforcement

Valerie,

I apologize for taking so long but it took me a while to do a rolling monthly and year to date numbers for a Solon Plant.

Please see the attached and if you could let me know if this is sufficient?
