Re: Wood County
Whelco Industrial, Ltd.
Return to Compliance (RTC)

June 25, 2012

Mr. Mike Farrar, President
Whelco Industrial, Ltd.
28210 Cedar Park Blvd
Perrysburg, Ohio 43551

Dear Mr. Farrar:

This letter shall serve as follow-up to the Notice of Violation (NOV) letter dated May 17, 2012. Whelco Industrial, Ltd. has since applied for, and received, a Permit to Install and Operate (PTIO) that was issued final on June 15, 2012. With the issuance of the PTIO, the violation for installing a dip tank and an incinerator prior to obtaining a permit has been resolved. Please note, however, that this does not preclude the Director from seeking civil penalties pursuant to ORC section 3704.06 for these violations. The decision on whether to pursue or decline to pursue such penalties regarding this matter is dependent on several factors, one of which is the company's future compliance with applicable Ohio EPA requirements.

If you have any questions about this letter, please contact me at (419) 373-3118 or mohammad.smidi@epa.ohio.gov.

Sincerely,

Mohammad Smidi
Environmental Specialist
Division of Air Pollution Control
