NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Ross:

On March 3, 2011, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Circle K #5243, located at 27190 Center Ridge Road in Westlake, to make the necessary repairs, then re-test and submit the February 28, 2011, test results, and the re-test results. Circle K #5243 performed the necessary repairs then re-tested and passed the static leak, blockage, and Air-to-Liquid tests on April 12, 2011. CDAQ witnessed the re-test on April 12, 2011, and received the February 28, 2011, failed test results, and the re-test results.

While deficiencies that existed have been corrected, separate correspondence will be issued to address the facility failing required Stage II tests in two consecutive years.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Circle K #5243: 13-18-61-8421.

Sincerely,

A handwritten signature in cursive script that reads "Linda Kimmy".
