without obtaining a state permit**

Dear Mr. Szarek:

On March 31, 2011, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requesting that The Awning Company submit a permit-to-install/operate (PTIO) application within thirty (30) days of receipt of the letter. CDAQ is in receipt of a letter dated May 3, 2011. You are still expected to comply with submitting usage records for the month of May, 2011 by June 6, 2011 in order to demonstrate compliance with *de minimis* requirements. Failure to do so may result in referral to Ohio EPA or U.S. EPA for further enforcement action. Fulfillment of your commitments included in the corrective action plan and/or any modifications contained within this letter does not constitute a waiver of CDAQ's ability to refer this matter to Ohio EPA or U.S. EPA for further enforcement action. Please submit any future correspondence related to this matter to the following enforcement representative:

Megan Murphy  
Cleveland Division of Air Quality  
75 Erievue Plaza 2<sup>nd</sup> Floor

Additionally, in the future please be aware that painting cannot occur outdoors. All painting, spraying, or coating needs to be completed in the spray room.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Megan Murphy at 216-664-4258.

Sincerely,

*Linda Kimmy*
