Dear Andrew Marantides and the department of health my sincere apologies for the spraying painting of our bus this will not happen again. Our corrective action is to cease from painting our bus. We tow and I service the mechanical needs of customers. If a customer should come through our doors and need painting we also contacted the body shop next door to send the customer there.

Thank you for your understanding,

Sincerely, David Shoemaker owner of Cleveland Auto Clinic inc. 216 341 9999
