**NOTICE OF VIOLATION: NOTIFICATION VIOLATION**

*CE 07 125*  
Dear Mrs. Mobley

On 12/21/06, the Cleveland Division of Air Quality (CDAQ) received a notification for asbestos removal for NASA Glenn Research Center. This letter serves as notification that you are operating or have operated an asbestos emergency renovation project (ARP) in violation of the following applicable air statutes or air regulations.

Renovation projects are subject to compliance with the Asbestos National Emission Standard for Hazardous Air Pollutants (NESHAP), Title 40 Code of Federal Regulations (CFR) Part 61 Subpart M, and the Ohio Administrative Code (OAC) Rule 3745-20.

The ARP violates 40 CFR 61.145(b)(3)(ii) in that CDAQ did not receive written notification 10 working days before the end of the calendar year preceding the year for which notice is being given.

Unless you undertake some type of corrective action with respect to the above noted violation, you will remain in non-compliance. CDAQ requests that NASA Glenn Research Center provide assurance that no RACM was disturbed prior to January 8, 2007 and a commitment that future notifications will be submitted in a timely manner. The requested information should be sent to the following enforcement representative:

Mike Samec  
Cleveland Division of Air Quality  
1925 St. Clair Avenue  
Cleveland, Ohio 44114-2080

Your written response to this letter must be received by CDAQ within fourteen (14) days of your receipt of this letter. If there is insufficient time to correct the alleged violations within this timeframe, your response must include a timeline for correcting the alleged violations.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more

than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at (216)420-7682.

Sincerely,
