RE: March 30, 2010 NOV Letter to Ohio Gas # @ @ 7608 Superior Ave., Cleveland, OH

Dear Ms. Murphy,

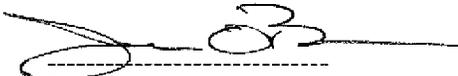

O'Brien Technical Services, Inc. (OTS) has been contracted by Mr. Saady Abouhashem to act on his behalf to complete the application for a Permit to Install / Operate (PTIO) for the 7608 Superior, Inc. property that was recently cited for operating an air emission unit without obtaining a PTIO (see attached March 30, 2010 - Notice of Violation letter).

My client advised me that he is not the owner of the property. The owner is Mr. Abdelnaser Alrjub, president of 7608 Superior, Inc. I spoke with Mr. Alrjub this day and he approved of my preparation of the permit followed by transmittal of same to his Columbus, Ohio address for authorized signature.

As I am out of town from April 16 - 25, 2010 I request an extension of the time to get this PTIO prepared, signed and returned to your attention. Respectfully, I request an additional 15 days time (due May 15, 2010) to perform these services and have an original returned to your attention.

I look forward to your response.

Sincerely,

Joe O'Brien
President
