FACILITY ID: 13-18-50-6828

**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Odetallah:

On May 29, 2012, the Cleveland Division of Air Quality (CDAQ) witnessed a failed annual Stage II compliance test for Emission Unit (EU) G001: Stage I and Stage II Gasoline Dispensing Facility, at Shell Family Foods Express located at 19300 Hilliard Boulevard in Rocky River.

On June 8, 2012, CDAQ issued a Notice of Violation requiring Shell Family Foods Express make the necessary repairs to EU G001, then re-test the Static Leak and Air-to-Liquid ratio tests and submit all test results.

On July 19, 2012, Shell Family Foods Express re-tested and passed the Static Leak and Air-to-Liquid ratio tests. On July 20, 2012, CDAQ received the original and re-test results.

The corrective action was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Shell Family Foods Express: 13-18-50-6828.

Sincerely,

A handwritten signature in cursive script that reads "Valencia White".

Valencia White
Chief of Enforcement, CDAQ
