RE: Rescinding of Notice of Violation dated June 19, 2009 for Marathon Petroleum Facility ID# 0125040772 (Columbus Terminal Central) and Facility ID# 0125040426 (Columbus Terminal East)

I am writing this letter to formally rescind the Notice of Violation letter sent to Marathon Petroleum June 19th, 2009, from Ohio EPA, Division of Air Pollution Control (DAPC) concerning failure to file a timely Synthetic Minor Title V Fee Emission Report for the above referenced facilities for calendar year 2008. Permit number 01-12080, as issued on April 8, 2008, does include the operations formerly permitted under premise numbers 0125040772 and 0125040426. The three facilities are grouped under new premise number 0125040071, Marathon Petroleum Columbus Complex.

As Marathon Petroleum LLC successfully submitted a complete fee emissions report for calendar year 2008 via Air Services for the Columbus Complex on May 22, 2009, Marathon Petroleum LLC, is not in violation of Ohio Administrative Code 3745-78-02.

Please contact Elisa Thomas, Ohio EPA, DAPC-CO at (614)644-3621 if you have any questions.

Sincerely,

Robert Hodanbosi
Chief, Division of Air Pollution Control
