**RE: Rescinding of Notice of Violation dated July 31, 2006 for  
Stoneco Plant # 114 - Facility id# 0332980004**

I am writing this letter to formally rescind the Notice of Violation letter sent to The Shelly Company for Stoneco Plant # 114, on July 31, 2006, from the Division of Air Pollution Control (DAPC) concerning failure to file a timely Synthetic Minor Title V Fee Emission Report for calendar year 2005. Based on information provided by the facility and Ohio EPA, Northwest District Office, Shelly Company is not in violation of Ohio Administrative Code 3745-78-02.

The facility permanently shutdown this facility in Fall of 2004. Stoneco Plant #114 was therefore placed in the 2005 Synthetic Minor fee reporting category in error. If you have additional questions please contact Elisa Thomas at (614) 644-3621.

Sincerely,

Robert Hodanbosi  
Chief, Division of Air Pollution Control
