**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Ms. Rose:

On 3/29/12, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Ramji Enterprises dba Gas Mart to provide Stage II Compliance Specialist Training for the current site manager and to submit a copy of the certificate of completion. On 5/1/12, CDAQ issued a second NOV for the same violation because no response had been received from the first NOV.

On 5/22/12, CDAQ issued a Receipt of Corrective Action Plan (RCAP) letter indicating that CDAQ is in receipt of a copy of a certificate of Bureau of Underground Storage Tank Regulations (BUSTR) Training for Aseem Uppal dated 3/28/12 and received at CDAQ on 5/11/12. The letter clarified that this certification does not qualify as Stage II Compliance Specialist Training.

A list of companies who provide Stage II Compliance Specialist Training was supplied with the 5/22/12 RCAP letter. The RCAP letter stipulated that you were expected to comply with providing Stage II Compliance Specialist Training for the current site manager and submitting a copy of the certificate of completion by 6/8/12.

On 6/5/12, CDAQ received a facsimile from Gas Mart of an invoice issued to Ramji Enterprises, LLC by Environmental Compliance Technologies (ECT) with the description "Stage II Training: Mailed Manual".

On 7/6/12, CDAQ issued a second RCAP because a copy of the Stage II Compliance Specialist Training certificate of completion for the current site manager had not been received.

On 7/25/12, CDAQ contacted you directly by telephone and inquired as to the status of the training. You indicated that a copy of the certification had previously been sent via facsimile. CDAQ requested that a new copy be forwarded to the inspector's attention.

On 7/25/12, CDAQ received a facsimile copy of the Stage II Compliance Specialist Training certificate of completion for the current site manager. The certificate additionally included a completion date of 6/7/12.

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Dave DeChant at 216-664-3213. All correspondence with CDAQ must include the Ohio EPA facility identification number for Ramji Enterprises dba Gas Mart: 13-18-20-7277.

Sincerely,

A handwritten signature in black ink that reads "Valencia White". The signature is written in a cursive, flowing style.

Valencia White
