**RESOLUTION OF VIOLATIONS
LETTER OF WARNING FOLLOW-UP LETTER**

Dear Mr. AL-Qadan:

On June 15, 2012, the Cleveland Division of Air Quality (CDAQ) issued a Letter of Warning requiring 3510 EAST 116TH, LLC dba Union Sunoco (Union Sunoco) to submit city permit fees for calendar year 2010 with a signed invoice and proof of attendance and completion of Stage II vapor recovery training within thirty (30) days of receipt of the letter.

CDAQ is in receipt of city permit fees for calendar year 2010 on June 29, 2012.

CDAQ then issued a Receipt of Corrective Action Plan (RCAP) letter on July 5, 2012, requiring that Union Sunoco still submit proof of attendance and completion of training of Stage II vapor recovery training by July 23, 2012.

CDAQ is in receipt of a corrective action dated August 7, 2012, at which time CDAQ received a copy of a Stage II vapor recovery training compliance specialist certificate via email from Environmental Compliance Technologies (ECT).

Appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary. CDAQ has enclosed a copy of a Stage II compliance specialist certificate for Union Sunoco to be retained on site for future inspections with this letter.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for Union Sunoco: 13-18-00-6177.

Sincerely,

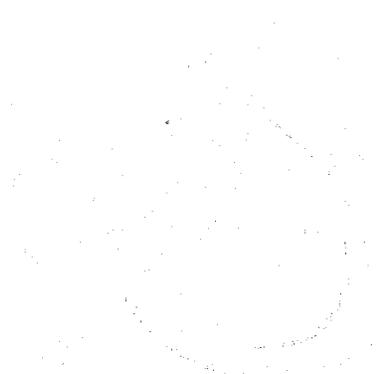

A handwritten signature in black ink that reads "Valencia White".

Valencia White
