CERTIFIED MAIL

Mr. Douglas Struble  
Vice President of Operations  
Midwest Terminals of Toledo  
387 West Dussel Drive  
Maumee, Ohio 43537

Dear Mr. Struble:

On November 15, 2007 this Division received quarterly deviation reports for emissions units F001, F002, F003, and F007 at Midwest Terminals of Toledo for the third quarter of 2007. The associated Permits to Operate for these emissions units required that the deviation reports be submitted by October 31, 2007. Please be aware that failure to submit deviation reports by the dates specified in the permits for these emissions units in the future may result in a Notice of Violation being issued to Midwest Terminals of Toledo.

If you have any questions, please feel free to contact me at 419-936-3938.

Yours from Toledo - a City of the Future!

Matthew A. Stanfield  
Staff Professional Engineer
