RESOLUTION OF VIOLATIONS  
NOTICE OF VIOLATION/NOTICE OF VIOLATION FOLLOW-UP LETTER:  
Failing to perform Stage II Test**

Dear Mr. Salem:

On August 8, 2012, the Cleveland Division of Air Quality (CDAQ) inspected A&N Service Company, DBA Gas USA (Gas USA) located at 3266 West 117<sup>th</sup> Street in Cleveland. This letter serves as notification that you have operated a source in violation of the following applicable air statutes, air regulations, or air permit conditions.

During the August 8, 2012, inspection CDAQ discovered that Gas USA failed to perform a Stage II Dynamic Pressure test as required in Ohio Administrative Code (OAC) Rule 3745-21-09 (DDD)(2) on Emission Unit G001: Stage I and Stage II Gasoline Dispensing Facility, which is in violation of OAC Rule 3745-21-09 (DDD)(1)(c), and Ohio Revised Code (ORC) Section 3704.05 (G).

On August 20, 2012, Gas USA tested and passed the Dynamic Pressure test. CDAQ received both the original and re-test results.

The appropriate steps were taken to bring the source into compliance. CDAQ determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for A&N Service Company, DBA Gas USA: 13-18-00-7193.

Sincerely,

A handwritten signature in black ink that reads "Valencia White".

Valencia White  
Chief of Enforcement, CDAQ
