Dear Mr. Mohammad:

A review of our records found that the Ohio EPA Permit to Operate for the Bailey Road Mini Mart gasoline dispensing facility expired on August 20, 2006. **It is a violation of Ohio Administrative Code section 3745-35-02 to operate a gasoline dispensing facility without first obtaining an Ohio EPA Permit to Operate.**

Please submit a renewal application or a PBR application immediately. A Permit to Operate application may be obtained on-line at <http://www.epa.state.oh.us/dapc/permits> or by contacting this Agency.

If you have any questions or need help completing the application, please contact me at 330/375-2480 x6053.

Sincerely,

Susan Anderson
