**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Abuaun:

On August 7, 2012, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Waterloo Gas and Go to schedule and perform Stage II testing within thirty days of receipt of the Notice of Violation. On August 24, 2012 CDAQ received passing Stage II test results from testing performed on June 22, 2010.

The corrective action was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Kenney at 216-420-7683. All correspondence with CDAQ must include the Ohio EPA facility identification number for Waterloo Gas and Go: 13-18-00-7932.

Sincerely,

A handwritten signature in cursive script that reads "Valencia White".

Valencia White
Chief of Enforcement, CDAQ
