SUBJECT: RENEWAL OF AIR PERMITS

Dear Mr. Cecconi:

This letter is to assist you in renewing the expired permits. The submittal which arrived at this office on May 18, 2009 is unacceptable because it is incomplete. For that reason, I am returning the form that you partially completed, along with the original letter from this office to your facility, dated February 25, 2008.

Perhaps you misunderstood the quantity of forms required. For every emissions unit (each of F003, F005, P001, P002, P003, P902, P902, and P905) in order to renew each respective permit, section II of the application (including a process flow diagram for that particular operation), and the Emissions Activity Category (EAC) form must be submitted. That would be 8 section II's, 8 process flow diagrams, and 8 EAC forms. On the original letter sent to your facility on February 25, 2008, emissions unit F005 has been scratched out. If emissions unit F005 no longer exists at your facility, you would need to submit the above listed forms for every unit except for F005. That would mean you would need to submit 7 section II's, 7 process flow diagrams, and 7 EAC forms if emissions unit F005 no longer exists.

To further assist you, I have enclosed a blank document of each of the above-mentioned forms, with yellow adhesive notes. Please notice that I have included an adhesive note on page 7 of section II. Also, I have enclosed the permit application cover sheet, which includes section I. You will only need to complete the cover sheet and section I one time, and include that with your submittal of the above listed documents.

At this time I am requesting that you submit all required completed documents within 14 days of your receipt of this letter. If more time is required, please contact this office.

Be advised that this letter and your timely submittal does not waive the authority of this agency, Ohio EPA, or US EPA to seek penalties in this matter. The decision to pursue, or decline to pursue, enforcement action in this case will be made at a later date.

Thank you for your attention to this situation. If you have any questions or need additional information, please contact me.

Sincerely,

Frank Markunas  
Interim Administrator
