3/24/11	1117	4100 Medina Rd. 1677 000153	Akron

Inspection results/Deficiencies:

Site Deficiency

ALL ARAQMD file: This Agency has not received the results of Stage II testing completed in 2011 for all of the above listed stations. Please submit results immediately. EZ Energy is in violation of OAC 3745-21-09 (DDD)(2)(c) which requires the results of testing to be submitted within 30 days of tests completion.

Please correct any deficiencies noted. These facilities will be inspected on an annual basis for compliance with the Stage II vapor recovery rule. It is required that you keep record keeping information at a readily available location for inspection. For this Agency, it is requested that you keep copies of the required information at each individual location where all employees can access them.

Thank you for your cooperation and assistance in this matter. If you have any questions, please contact me at 330/375-2480 x4255

Sincerely,

Steven Stakleff, RS
