Mr. Amer Al Ahmad
Oumalawis / Medina Sunoco
3933 Sullivant Avenue
Columbus, OH 43223

Dear Mr. Al Ahmad:

On October 22, 2009, a representative of the Akron Regional Air Quality Management District (ARAQMD) inspected the Oumalawis / Medina Sunoco (formerly Certified #169) gasoline dispensing facility located at 3980 N. Pearl Road in Medina to determine compliance with OAC 3745-21-09 (DDD) regarding Stage II vapor recovery.

Inspection results/Deficiencies:

Record keeping: **No record keeping was available for review. Oumalawis, LLC is in violation of OAC rule 3745-21-09 (DDD)(3), which specifies the records that are to be kept.** A certificate of Stage II training must be obtained and a copy kept in the Station's records.

ARAQMD file: The Ohio EPA Permit to Operate for this facility expired on 12/9/08. **It is a violation of OAC rule 3745-35-02 to operate an air contaminant source without first obtaining a Permit to Install/Operate (PTIO).** Ohio Revised Code section 3704.05 prohibits any violation of the Ohio Environmental Protection Agency (Ohio EPA) regulations, and provides for civil and criminal penalties for violations. Submit application immediately.

Within 14 days of receipt of this letter, you are required to submit a PTIO application for this facility. Also, you are required to obtain Stage II vapor recovery training and place a copy of the certificate of completion in the Station's record keeping file. Permit application forms and training information have been mailed to you and left at the facility, and are again enclosed.

Please correct any deficiencies noted. This facility will be inspected on an annual basis for compliance with the Stage II vapor recovery rule. It is required that you keep record keeping information at a readily available location for inspection. For this Agency, it is requested that you keep copies of the required information at each individual location where all employees can access them.

Acceptance of the information requested by this Agency does not constitute a waiver of it's or the Ohio EPA's authority to seek civil penalties as provided in Section 3704.06 of the Ohio Revised Code. The determination to pursue or decline such penalties in this case will be made at a later date.

Thank you for your cooperation and assistance in this matter. If you have any questions, please contact me at 330/375-2480 x6053.

Sincerely,

Susan Anderson
