Re: NOTICE OF PERMIT EXPIRATION: NO RENEWAL APPLICATION RECEIVED

Facility ID: 1652050176
Facility Address: 95 NORTH PROGRESS DR, MEDINA, OH 44256
Permit Number: P0101739
Permit Expiration Date: 6/26/2003
Permit Type: State Permit-To-Operate

Dear RICK BUCCINI,

This letter serves as a Notice of Violation to you for the violation of OAC rule 3745-31-02 for failure to submit a timely permit application for renewal of the permit identified above which expired on 6/26/2003. This failure to submit a complete and timely application, has resulted in the loss of the "application shield" provided by Ohio Revised Code (ORC) section 119.06, for the air contaminant sources (emissions units) identified in the table below.

<i>EU ID</i>	<i>EU Description</i>	<i>Company Equipment ID</i>	<i>Permit Number</i>	<i>Expiration Date</i>
F001	roadways and parking areas	Roadways and Parking Areas	P0101740	8/23/2011
F002	sand and aggregate storage piles	Sand and Aggregate Storage Piles	P0101740	8/23/2011
P901	ready mix concrete batch plant	Ready Mix Concrete Batch Plant	P0101740	8/23/2011

Continued operation of these emissions units after the expiration date of the permit, without a valid renewal permit being issued by the Director, will be a violation of OAC rule 3745-31-02. Be advised that submission of a permit renewal application will not reinstate the "application shield" provided by (ORC) section 119.06.

Please submit a complete renewal application to Ohio EPA as soon as possible, but no later than 30 days from receipt of this notice. The application may be submitted using the eBusiness Center: Air Services (<https://ebiz.epa.ohio.gov>). For assistance with Air Services you may contact Linda Lazich at linda.lazich@epa.state.oh.us or (614) 644-3626. In addition, training videos and guidance are available by clicking "Answer Place" on the main banner at www.epa.ohio.gov.

If this facility is not subject to synthetic minor requirements, a hard copy application will be accepted. Those forms can be acquired on the Web page www.epa.ohio.gov/dapc or by contacting our office at (330)375-2480.

Sincerely,

Duane LaClair
