Dear Steven Pabst:

This is in follow-up to my full compliance evaluation of your Akron, OH facility on February 23, 2011 regarding compliance with your Federally Enforceable State Operating Permit (FESOP) effective 12/12/06. After review data available at your facility and the documents available in our files and through OEPA e-business system, I have determined the facility is in violation of the following section of your FESOP:

For K001: Sections C.1.d., C.1.g., C.1.i., C.1.j., C.1.k., C.1.l., D.1.a., D.1.b. and D.3,
For P003: Sections C.2., 2.a. through 2.e. and D.2.

These permit terms are essential for tracking and documenting your facility's compliance and status as a synthetic minor facility, avoiding Title V permitting and 40 CFR 63 Subpart M. Please submit to this office, within 30 days of receipt of this letter, a plan and schedule for achieving compliance with the above mention permit sections. Submit this plan to the attention of Duane LaClair.

Acceptance by the Ohio EPA of a compliance plan and schedule does not constitute a waiver of the Ohio EPA's authority to seek civil penalties as provided in Section 3704.06 of the Revised Code. The determination to pursue or to decline to pursue such penalties in this case will be made by the Ohio EPA at a later date.

If you have any questions, please contact me at 330-375-2480 Ext 6052 or E-mail dlaclair@schd.org.

Sincerely,

Duane LaClair
