Mr. Basem I. Ali
Giant Ohio LLC
1806 N. Franklin Street
Tampa, FL 33602

Dear Mr. Ali:

On January 11, 2010, a representative of the Akron Regional Air Quality Management District inspected the Giant Ohio BP #4423 gasoline dispensing facility located at 571 W. Waterloo Road in Akron to determine compliance with OAC 3745-21-09 (DDD) regarding Stage II vapor recovery.

Inspection results/Deficiencies:

Record keeping: A Stage II training certificate and the results of Stage II testing completed in 2008 & 2009 were not in the Station file.

Equipment: This facility failed Stage II testing on January 7, 2010. Repair and retesting are to be completed within 30 days.

Giant Ohio BP #4423 is in **violation of OAC rule 3745-21-09 (DDD)(2)** which specifies testing requirements for the vapor control system installed at this facility.

Please correct any deficiencies noted. This facility will be inspected on an annual basis for compliance with the Stage II vapor recovery rule. It is required that you keep record keeping information at a readily available location for inspection. For this Agency, it is requested that you keep copies of the required information at each individual location where all employees can access them.

Acceptance of the correction of deficiencies requested by this Agency does not constitute a waiver of this Agency's or the Ohio EPA's authority to seek civil penalties as provided in Section 3704.06 of the Ohio Revised Code. The determination to pursue or decline such penalties will be made at a later date.

Thank you for your cooperation and assistance in this matter. If you have any questions, please contact me at 330/375-2480 x6053.

Sincerely,

Susan Anderson
Sanitarian II
