Re: NOTICE OF VIOLATION

Dear MICHAEL SONG:

The Ohio Environmental Protection Agency (Ohio EPA) issued one or more permit(s)-to-install and operate (PTIO) for Leona's Cleaners (1677050134). Standard terms and conditions in a PTIO require an annual Permit Evaluation Report (PER) for each emissions unit contained in the permit. The PER which was due by February 15, 2010 for the reporting period January 1, 2009 through December 31, 2009 has not been submitted.

The PER must be completed using the hard copy forms provided to you with the PER reminder letter, or electronically via the eBusiness Center - Air Services at ebiz.epa.ohio.gov. Failure to submit the PER is in violation of the terms and conditions of the applicable PTIO. Additionally, each submission of an incomplete, inaccurate or late report is in violation of the terms and conditions of the applicable PTIO. Violations of the terms and conditions of a PTIO permit are violations of Ohio Revised Code (ORC) Section 3704.05.

No later than fourteen (14 days) from the receipt of this letter, please submit a completed PER form for 2009. If you need additional time, please notify this agency in writing.

The submission of the completed PER form does not constitute a waiver of the authority of either the Ohio Environmental Protection Agency (Ohio EPA) or US EPA to seek penalties in this matter. The decision to pursue, or decline to pursue, additional enforcement action in this case will be made at a later date.

If you have any questions concerning this letter, please contact me at lmiracle@akronohio.gov or (330)375-2480 extension 4239.

Sincerely,

Laura Miracle
Akron Regional Air Quality Management District
