Mr. Al Patel  
Medina Sunoco Food Mart  
3980 N. Pearl Road  
Medina, OH 44256

Dear Mr. Patel:

On September 13<sup>th</sup>, 2011, a representative of the Akron Regional Air Quality Management District (ARAQMD) inspected the Medina Sunoco Food Mart gasoline dispensing facility located at 3980 N. Pearl Road in Medina to determine compliance with OAC 3745-21-09 (DDD) regarding Stage II vapor recovery.

**Inspection results/Deficiencies:**

**Record keeping:** No record keeping was available for review. Medina Sunoco Food Mart is in violation of OAC rule 3745-21-09 (DDD) (3), which specifies the records that are to be kept. A certificate of Stage II training must be obtained and a copy kept with the station's records.

**Equipment:** As a reminder, this facility is due for Stage II vapor recovery testing on or before October 3, 2012.

This facility will be inspected on an annual basis for compliance with the Stage II vapor recovery rule. It is required that you keep record keeping information at a readily available location for inspection. For this Agency, it is requested that you keep copies of the required information at each individual location where all employees can access them.

Thank you for your cooperation and assistance in this matter. If you have any questions, please contact me at 330/375-2480 ext 3354.

Sincerely,

Harry J. Eckert
