Mr. Faisal Mirza
Gem Food Mart
1337 S. Water Street
Kent, OH 44240

Dear Mr. Mirza:

On October 4, 2010, a representative of the Akron Regional Air Quality Management District (ARAQMD) inspected the Gem Food Mart gasoline dispensing facility 1337 S. Water Street in Kent to determine compliance with OAC 3745-21-09 (DDD) regarding Stage II vapor recovery.

Inspection results/Deficiencies:

Record keeping: Gem Food Mart is in violation of OAC rule 3745-21-09 (DDD)(3) which specifies record keeping requirements. The results of Stage II testing completed in 2007 were not in the station file and there was not a maintenance record.

Equipment: Gem Food Mart is in violation of OAC rule 3745-21-09 (DDD)(2) which specifies testing requirements. Stage II testing was not completed as required in 2009. This facility failed Stage II testing on 10/4/10 because there was not enough fuel in the underground storage tanks. Retesting is to be completed as soon as possible. Each day this facility continues to be late testing may add to the penalty assessed for non compliance.

Please correct the deficiencies noted. This facility will be inspected on an annual basis for compliance with the Stage II vapor recovery rule. It is required that you keep record keeping information at a readily available location for inspection. For this Agency, it is requested that you keep copies of the required information at each individual location where all employees can access them.

Thank you for your cooperation and assistance in this matter. If you have any questions, please contact me at 330/375-2480 x6053.

Sincerely,

Susan Anderson
