Dear Mr. Olson:

A review of our records found that the Ohio EPA Permit to Operate for Jim's Fuel & Deli gasoline dispensing facility, located at 9790 E. Center Road in Windham, expired on June 26, 2011. **It is a violation of Ohio Administrative Code 3745-35-02 to operate a gasoline dispensing facility without first obtaining a Ohio EPA Permit to Operate**

Please submit Permit to Install/Operate (PTIO) renewal application or Permit by Rule (PBR) notification immediately. A Permit by Rule Notification Form is enclosed with this letter. Please complete form and return to Akron Regional Air Quality Management, 146 S. High St. Suite 904, Akron, Ohio 44308. If you would rather apply for a PTIO, an application may be obtained on-line at <http://www.epa.state.oh.us/dapc/permits> or by contacting this Agency.
