Mr. Nasser Kahook
Mr. Ali Kahook
Gas Express
4321 Brookview Court
Uniontown, OH 44685

Dear Messrs. Kahook:

On August 20, 2010, a representative of the Akron Regional Air Quality Management District (ARAQMD) inspected the Gas Express gasoline dispensing facility located at 1487 Canton Road in Akron to determine compliance with OAC 3745-21-09 (DDD) regarding Stage II vapor recovery.

Inspection results/Deficiencies:

This facility was found closed at time of inspection. If this is a permanent closure, please notify this Agency (in writing) as to the date of closure and of the date the underground storage tanks are to be removed.

This facility is in violation of OAC rule 3745-21-09 (DDD) regarding Stage II Vapor Recovery (record keeping, testing, and certification). Also, this facility is in **violation of OAC rule 3745-31-02(1)(b)**, as the Ohio EPA Permit to Operate expired on 11/24/08.

This facility will be inspected on an annual basis for compliance with the Stage II vapor recovery rule. It is required that you keep record keeping information at a readily available location for inspection. For this Agency, it is requested that you keep copies of the required information at each individual location where all employees can access them.

Acceptance of the information requested by this Agency does not constitute a waiver of this Agency's or the Ohio EPA's authority to seek civil penalties as provided in Section 3704.06 of the Ohio Revised Code. The determination to pursue or decline such penalties will be made at a later date.

Thank you for your cooperation and assistance in this matter. If you have any questions, please contact Susan Anderson at 330/375-2480 x6053.

Sincerely,

Susan Anderson
Sanitarian II
