NOTICE OF VIOLATION: Failed annual Stage II compliance test

Dear Mr. Kollab:

On October 9, 2012, the Cleveland Division of Air Quality (CDAQ) witnessed the annual Stage II compliance test at One Stop Sunoco #1 located at 6225 Storer Avenue in Cleveland. This letter serves as notification that you are operating a source in violation of the following applicable air statutes, air regulations, or air permit conditions.

On October 9, 2012, One Stop Sunoco #1 failed a Static Leak test on emission unit G001: Stage I and Stage II Gasoline Dispensing Facility. The failure to successfully pass the testing requirements in Ohio Administrative Code (OAC) Rule 3745-21-09(DDD)(2) for EU G001 while causing, allowing, or permitting the transfer of gasoline from a stationary storage tank into a motor vehicle is a violation of OAC Rule 3745-21-09(DDD)(1)(c) and Ohio Revised Code (ORC) Section 3704.05(G).

Unless you undertake some type of corrective action with respect to the above noted violation, you will remain in non-compliance. CDAQ requests that One Stop Sunoco #1 make the necessary repairs to EU G001, then re-test and submit the test results within thirty (30) days from their respective test dates to the following enforcement representative:

Bryan Sokolowski
Cleveland Division of Air Quality
75 Erieview Plaza 2nd Floor
Cleveland, Ohio 44114-1839

If there is insufficient time to correct the alleged violations within this timeframe, a written response must be received within thirty (30) days of receipt of this letter that includes a timeline for correcting the alleged violations.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars (\$25,000) or imprisonment for not more than one year, or both, for each violation.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for One Stop Sunoco #1: 13-18-00-7466.

Sincerely,

A handwritten signature in cursive script that reads "Valencia White".

Valencia White
Chief of Enforcement, CDAQ

VW/BS Handwritten initials, possibly "VW" or "BS", next to the typed name.
