**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Patel:

On August 28, 2012, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring GP Express to submit a corrective action plan addressing the failed August 20, 2012, Stage II Air-to-Liquid (A/L) Ratio Test. On September 20, 2012, CDAQ received passing test results from a Stage II A/L Ratio Test.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Kenney at 216-420-7683. All correspondence with CDAQ must include the Ohio EPA facility identification number for GP Express: 13-18-45-7546.

Sincerely,

Valencia White for VW
