**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Roalofs:

On November 26, 2012, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation (NOV) requiring Frank's Sunoco to schedule and perform a retest of all required Stage II testing within fourteen (14) days of receipt of the NOV. CDAQ is in receipt of passing Stage II test results from a test performed on December 5, 2012.

The corrective action was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Kenney at 216-420-7683. All correspondence with CDAQ must include the Ohio EPA facility identification number for Frank's Sunoco: 13-18-45-7689.

Sincerely,

Valencia White
Chief of Enforcement, CDAQ
